

## ATF 289

### Description

A very high graded automatic transmission fluid formulated with solvent refined base oils and a number of selected additives to obtain the following properties:

- a high and stable viscosity index
- a very low pour point
- a very good stability against oxidation
- a positive activity against wear, corrosion and foam
- specific friction properties
- a perfect compatibility with seals and non-ferro metals
- red coloured

### Application

This fluid may be used for automatic gearboxes, power steering units, torque converters and other equipment, for which an ATF Dexron IID fluid is required.

### Specifications
