

LB Mixfleet Ultra 15W40

Description

LB Mixfleet Ultra is a product of the LB (Level Back-up) product range. These products are based on the officially approved formulas, using the same high-quality additives, but the base oils have been replaced with equivalent alternatives. This creates equivalent products in terms of quality, with a performance level corresponding to the originally approved products. However, because no field tests have been conducted, the product may be claimed only to meet the mentioned performance levels.

Application

This universal lubricating oil is suitable for gasoline or diesel engines, with or without supercharging. This motor oil is suitable for application in mixed fleets.
