

## Super Multigrade Motor Oil 15W40

### Description

A motor oil produced with high quality solvent refined base oils and a number of additives, to obtain the following properties:

- a high detergency and dispersion power
- a strong resistance against oxidation
- effective in preventing from wear, corrosion and foam
- a high and stable viscosity index

### Application

Suitable lubricating oil for gasoline engines under light service conditions and in all seasons. Moreover, for diesel engines passenger cars and light delivery vans in light service. Not applicable for turbo-charging diesel engines for which a minimum API CD is required.

### Specifications

Performance level:

- API SF/CC
- CCMC G2/D1
