

ZX PCMO 102 5W40

Description

A synthetic universal motor oil, developed according to the most recent technology, based on specially selected synthetic base oils to which special additives are added to obtain the following properties:

- a fast cold start
- a safe lubrication film at high temperatures
- a very good detergency and dispersion
- a very strong protection against wear, corrosion and foaming

Application

This synthetic universal «mid SAPS» motor oil is recommended for use in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans. Due to its low SAPS content this product can be applied in vehicles with modern three way catalysts and diesel particle filters.
